## 20 One-Liners to Remember

Quick-fire facts for last-minute revision.

### 1 **CAIIB stands for Certified Associate of the Indian Institute of Bankers.**

CAIIB is the second-level flagship IIBF certification, taken after a candidate clears JAIIB.

### 2 **CAIIB is structured around compulsory papers plus one elective paper.**

Candidates choose the elective from a list of optional subjects alongside the compulsory papers.

### 3 **CAIIB compulsory papers commonly include ABM, BFM, ABFM and BRBL.**

These stand for Advanced Bank Management, Bank Financial Management, Advanced Business & Financial Management, and Banking Regulations & Business Laws.

### 4 **Information Technology & Digital Banking is one of the popular CAIIB elective papers.**

It is chosen for its job relevance to core banking, mobile banking, UPI and digital channels.

### 5 **The IT & Digital Banking elective is described as conceptual rather than heavily numerical.**

It rewards understanding of concepts over heavy calculation, unlike some other CAIIB papers.

IIBF - Revision - CAIIB Information Technology & Digital Banking Study Material 2026: Sy

---

## 6 The IT & Digital Banking syllabus broadly spans four core themes.

The themes are IT basics, Systems & Design, Banking Applications, and Security, Controls & Guidelines.

---

## 7 Introduction to Information Technology covers hardware, software, programming languages and networks.

This theme builds the foundational IT knowledge needed before banking-specific applications.

---

## 8 Systems & Design covers SDLC, system design models, databases and data warehousing.

SDLC stands for System Development Life Cycle, a core concept in this theme.

---

## 9 Banking Applications covers delivery channels, core banking solutions and payment systems.

This theme also includes e-mail and alerts along with service-level agreements (SLAs).

---

## 10 Security, Controls & Guidelines covers threats to IT systems and cyber-risk controls.

This theme also includes IT governance and support frameworks relevant to banks.

---

## 11 CAIIB is typically conducted twice a year, generally in June and December cycles.

Exact dates should always be confirmed on the latest official IIBF notification.

---

**12 Effective CAIIB IT study material blends video lectures, EPDF notes, mock tests and previous-year questions.**

A blended format supports learning, revision and self-testing across the syllabus.

---

**13 EPDF notes are described as best suited for quick revision in the final week before the exam.**

Their compact format allows fast scanning compared with lengthy video lectures.

---

**14 A 6-8 week study plan is a commonly suggested timeline for the IT & Digital Banking paper.**

The plan moves from building the base, to application focus, to revision and testing.

---

**15 The IT & Digital Banking paper does not require a coding or technical background.**

It is designed for bankers and focuses on banking-relevant IT concepts, not writing code.

---

**16 IT & Digital Banking lectures are commonly offered in English-only and a Hindi plus English mix.**

This lets candidates study in the language medium they are most comfortable with.

---

**17 Maintaining a single abbreviations sheet is recommended for the IT elective preparation.**

The IT & Digital Banking paper is dense with acronyms that are easy to forget without a glossary.

- 18 Security & Controls is described as a high-yield theme that is often underestimated by candidates.**

Candidates are advised to give this theme proper time rather than leaving it for last.

- 19 CAIIB is taken after a candidate has already cleared JAIIB.**

CAIIB is positioned as the second-level IIBF certification following JAIIB.

- 20 Elective options and paper structure in CAIIB can change across exam cycles.**

Candidates should always confirm the current elective list on the latest official IIBF notification.
