20 True or False

Decide, then check the answer and reason below each statement.

Question 1

CAIIB stands for Certified Associate of the Indian Institute of Bankers.

TRUE

CAIIB is the second-level IIBF certification taken after clearing JAIIB.

Question 2

CAIIB can be attempted before clearing JAIIB.

FALSE

CAIIB is the second-level certification, taken only after a candidate clears JAIIB.

Question 3

CAIIB includes compulsory papers plus one elective paper.

TRUE

Candidates clear the compulsory papers and choose one elective from a list of options.

Question 4

CAIIB's compulsory papers commonly include ABM, BFM, ABFM and BRBL.

TRUE

These stand for Advanced Bank Management, Bank Financial Management, Advanced Business & Financial Management, and Banking Regulations & Business Laws.

Question 5

Information Technology & Digital Banking is one of the elective paper options in CAIIB.

TRUE

It is a popular elective due to its relevance to core banking and digital channels.

Question 6

The IT & Digital Banking elective is described as heavily numerical rather than conceptual.

FALSE

It is described as conceptual and practical, rewarding understanding over heavy calculation.

Question 7

The IT & Digital Banking syllabus broadly spans four core themes.

TRUE

These are IT basics, Systems & Design, Banking Applications, and Security, Controls & Guidelines.

Question 8

SDLC in the Systems & Design theme stands for System Development Life Cycle.

TRUE

SDLC is a core concept covered under the Systems & Design theme of the syllabus.

Question 9

Banking Applications theme covers delivery channels and core banking solutions.

TRUE

It also covers payment systems, e-mail and alerts, and service-level agreements.

Question 10

Security, Controls & Guidelines theme has nothing to do with cyber-risk.

FALSE

This theme specifically covers threats to IT systems and cyber-risk controls.

Question 11

CAIIB is typically conducted only once a year.

FALSE

CAIIB is typically conducted twice a year, generally in June and December cycles.

Question 12

Good CAIIB IT study material typically blends video lectures, notes, mock tests and previous-year questions.

TRUE

A blended format supports learning, quick revision and self-testing.

Question 13

EPDF notes are best suited for deep first-time learning of new concepts.

FALSE

EPDF notes are better suited for quick revision, while video lectures suit first-time learning.

Question 14

A 6-8 week plan is a commonly suggested preparation timeline for the IT elective.

TRUE

The plan progresses through base-building, application focus, revision and testing phases.

Question 15

Clearing the IT & Digital Banking paper requires a coding or software engineering background.

FALSE

The paper is designed for bankers and focuses on banking-relevant IT concepts, not coding.

Question 16

IT & Digital Banking lectures are commonly available in English-only and a Hindi plus English mix.

TRUE

This allows candidates to study in whichever language they are most comfortable with.

Question 17

Maintaining an abbreviations glossary is considered unhelpful for the IT elective.

FALSE

The paper is dense with acronyms, so maintaining a glossary is recommended to avoid losing marks.

Question 18

Security & Controls is described as low-yield and safe to skip.

FALSE

It is described as a high-yield theme that is often underestimated and deserves proper study time.

Question 19

Mock tests are recommended to reveal weak topics before the real CAIIB exam.

TRUE

Mock tests build recall and speed while exposing gaps in preparation.

Question 20

Elective options and paper structure in CAIIB never change across exam cycles.

FALSE

The elective list and paper structure can change, so candidates should confirm current details officially.
