## 20 One-Liners to Remember

Quick-fire facts for last-minute revision.

- 1 The Learning Sessions Pro App is the official mobile learning platform from Learning Sessions for JAIIB, CAIIB and IIBF certification exams.**  
It bundles video courses, mock tests, memory recalled questions and revision PDFs in a single app.
- 2 The Learning Sessions Pro App is organised into four menus: JAIIB, CAIIB, Certifications and Promotions.**  
Each menu holds study material for a specific exam family and needs a separate sign-up.
- 3 Candidates must sign up separately inside each menu of the Learning Sessions Pro App they wish to use.**  
A JAIIB pass moving to CAIIB must register again inside the CAIIB menu since each menu is its own login.
- 4 On Android, the Learning Sessions Pro App is listed on the Play Store as Learning Sessions - IIBF Exams, officially called the LS Pro app.**  
Android users can search this name directly on the Play Store to install it.
- 5 iOS users access Learning Sessions content through the My Institute app using organisation code gegkt.**  
Apple device users must enter this organisation code inside the My Institute app to reach their courses.
