## 20 True or False

Decide, then check the answer and reason below each statement.

### Question 1

**A mock test is designed to copy the real IIBF paper's pattern, question style and difficulty.**

**TRUE**

This is the core definition of a mock test given in the guide.

### Question 2

**JAIIB and CAIIB are described as descriptive, essay-based exams rather than objective papers.**

**FALSE**

JAIIB and CAIIB are objective, multiple-choice, time-bound exam papers.

### Question 3

**Mock tests are said to sharpen speed, accuracy, time management and exam-day confidence.**

**TRUE**

These four benefits are explicitly listed as what mock tests build.

## Question 7

**The guide recommends attempting a subject's mock test before reading the chapter or short notes.**

**FALSE**

The guide recommends building a base first by reading the chapter before attempting that subject's mock.

## Question 8

**Reviewing wrong answers is described as more valuable than simply checking the score after a mock.**

**TRUE**

The guide states the real value lies in reviewing mistakes, not just the score.

## Question 9

**The suggested four-week mock routine starts with the weakest subject in week one.**

**FALSE**

The routine starts with the strongest subject in week one to build momentum, then the weakest subject in week two.

## Question 10

**Studying with no timer is listed as good practice because it reduces exam stress.**

**FALSE**

Studying with no timer is listed as a common mistake that hides real speed problems.

## Question 11

**Avoiding practice on a weak subject is recommended so as not to lower confidence before the exam.**

**FALSE**

The guide states avoiding a weak subject is a mistake since it needs the most mock attempts.

## Question 12

**Memorising specific answer options instead of understanding concepts is flagged as risky since IIBF reframes questions.**

**TRUE**

The guide warns that understanding the logic matters more than memorising option letters.

## Question 16

**The guide claims that thousands of mocks per subject are strictly required to pass.**

**FALSE**

The guide suggests even 8 to 10 well-reviewed mocks per subject can transform readiness, emphasising quality over quantity.

## Question 17

**The mock test library also includes practice sets for bank promotion exams across scales.**

**TRUE**

Bank promotion practice sets are explicitly listed among the exams covered.

## Question 18

**The guide advises candidates to invent their own exam-day rules based on a single mock test result.**

**FALSE**

The guide explicitly warns against this and advises confirming rules on the latest official IIBF notification.
