6 RBWM stands for Retail Banking and Wealth Management.

RBWM focuses on retail banking products and wealth management practices.

7 IE&IFS stands for Indian Economy and Indian Financial System.

IE&IFS covers the structure of the Indian economy and its financial system.

8 AFM is widely considered the most numerical and challenging paper in JAIIB.

AFM involves calculations that many candidates find difficult without regular practice.

9 IE&IFS content changes over time as it tracks ongoing economic developments.

Because it is fact-heavy, IE&IFS requires steady reading rather than last-minute cramming.

10 JAIIB is typically the first professional certification bankers pursue after joining a bank.

It serves as a foundational milestone early in a banking career.

11 Clearing JAIIB can support salary increments and promotion prospects for bank employees.
