20 True or False

Decide, then check the answer and reason below each statement.

Question 1

The IIBF Prevention of Cyber Crimes and Fraud Management exam is open to non-members of IIBF.

TRUE

Both members and non-members can appear for this certificate exam.

Question 2

A candidate must hold a postgraduate degree to be eligible for this certificate exam.

FALSE

The minimum eligibility is only a pass in the 12th standard or equivalent in any discipline.

Question 3

The exam consists of 120 MCQs for a maximum of 100 marks.

TRUE

This is the published exam pattern for the certificate.

Question 4

The passing score for this exam is 90 out of 100.

FALSE

The passing score is 60 marks out of 100.

Question 5

There is negative marking for wrong answers in this exam.

FALSE

The exam explicitly has no negative marking, so candidates are advised to attempt every question.

Question 6

The exam duration is 2 hours.

TRUE

This is the stated duration for the 120-question paper.

Question 7

The exam can be taken on a mobile phone under Remote Proctored Mode.

FALSE

RPM exams must be taken only on a desktop or laptop, not a phone or tablet.

Question 8

Remote Proctored Mode allows candidates to write the exam from a location of their own choice.

TRUE

RPM monitors candidates via video and microphone while allowing a self-chosen location.

Question 9

The syllabus for this exam has four modules covering cyber crime, fraud management, electronic transactions, and cyber laws.

TRUE

These four modules make up the complete syllabus structure.

Question 10

IIBF VISION and BANK QUEST are periodicals published by IIBF that help candidates stay updated.

TRUE

IIBF recommends reading these for current fraud cases and regulatory developments.

Question 11

Candidates need not worry about any cut-off date since IIBF expects knowledge of all future developments.

FALSE

IIBF fixes a cut-off date per exam cycle, and candidates are expected to know developments only up to that date.

Question 12

Clearing this certificate along with IT Security and Information System Banker qualifies a candidate for the DISA diploma.

TRUE

DISA requires clearing all three certificate exams under the revised syllabus.

Question 13

DISA stands for Diploma in Digital Investment and Securities Analysis.

FALSE

DISA actually stands for Diploma in Information System Audit.

Question 14

Registration fees for members and non-members of IIBF are identical for this exam.

FALSE

Members and non-members pay different base fees, with 18% GST applied on top.

Question 15

A candidate can reuse the same fee payment for multiple exam attempts.

FALSE

Candidates must register and pay separately for each attempt, including re-attempts.

Question 16

The Result Advice for this exam is published on the official IIBF website.

TRUE

Candidates can download their result from the IIBF site once declared.

Question 17

This certificate exam medium is only English.

TRUE

The exam quick facts list English as the sole medium.

Question 18

Module 4 of the syllabus covers cyber law in India and regulatory compliance.

TRUE

Module 4 is titled Cyber Laws & Regulatory Compliance.

Question 19

Candidates who cleared the exam under the pre-2017 syllabus automatically qualify for DISA without any further action.

FALSE

Such candidates must clear the exam again under the revised syllabus to become DISA-eligible.

Question 20

Registration for this exam remains open indefinitely with no closing date.

FALSE

Registration windows close a few days before the exam date and late registration is not allowed.
